General Notes

1. The Spartan standard term or condition will apply unless otherwise agreed to by Spartan Controls Ltd. in a signed written contract. Please see www.spartancontrols.com/terms.
2. All quoted deliveries are subject to prior sale, and are to be confirmed at time of order. If the quoted delivery is not acceptable, please advise and we may be able to expedite the order.
3. Please note that any changes, cancellations or returns are subject to restocking and/or disassembly charges, plus material and documentation costs. Charges for non-stocked materials are situational and may not be refundable. Upon notice of readiness to ship, Spartan reserves the right to apply storage fees.
4. Product sizing and selection have been based solely on the information provided. Spartan can make recommendations based on our experience; however, it is the responsibility of the system designer and end user to determine if the equipment is suitable for the intended application and complies with all specifications (including material selection). If specifications are applicable, please update the request for quote / data sheets accordingly.
5. Prices quoted in Canadian Dollars are based on recent exchange rates. Should the exchange rate fluctuate significantly between time of quote and time of purchase, we reserve the right to adjust prices accordingly. Pricing subject to adjustment on account of import/export fees and supplier surcharges. Spartan Controls agrees to work collaboratively with you to eliminate or reduce those amounts.
6. The information contained in this document and all attached documents is strictly confidential and contains proprietary information.
